

# Array Networks End of Support (EoS) Announcement for Cache Cleaner

Release Date: April 30, 2021

## Overview

Array Networks announce the End of Support (EoS) for the Cache Cleaner function on the AG Series products effective October 31, 2021.

## EoS Schedule

Product	End of Software Feature Availability	End of License Availability	End of Sale	End of Technical Support
AG	October 31, 2021	October 31, 2021	October 31, 2021	October 31, 2021

## Impact

You can still use the Cache Cleaner function if the purchased license includes it and an earlier AG version is being used. However, Array Networks will no longer fix any issue related to Cache Cleaner after October 31, 2021. You will not be able to use this function if the system is upgraded to a new AG version not supporting it.

## Others

It is recommended to contact Array Networks Customer support ([support@arraynetworks.com.cn](mailto:support@arraynetworks.com.cn)) to obtain MotionPro Windows 1.2.11 or later versions as soon as possible.
